LOS ANGELES COUNTY DISTRICT ATTORNEY

18000 CLARA SHORTRIDGE FOLTZ CRIMINAL JUSTICE CENTER
210 WEST TEMPLE STREET LOS ANGELES, CA 90012-3210 (213) 974-3501

June 10, 2008

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

**AUTHORIZE THE DISTRICT ATTORNEY AND CHIEF PROBATION OFFICER TO
ENTER INTO AGREEMENTS WITH THE CITY OF LOS ANGELES FOR THE
COMMUNITY LAW ENFORCEMENT AND RECOVERY PROGRAM (CLEAR)
(FIRST DISTRICT) (3 VOTES)**

SUBJECT

The District Attorney's Office and Probation Department participate with the City of Los Angeles in implementing the CLEAR Program. In May 2007 two new sites, Ramona Gardens and Baldwin Village, were added to the Program with the City funding a portion of the cost. These Agreements will allow continued County participation in the CLEAR Program.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Delegate authority to the District Attorney to sign and enter into Agreement No. 1 with the City of Los Angeles (City) to receive \$97,000 for the Ramona Gardens CLEAR site, covering the period of July 1, 2007 to June 30, 2008.
2. Delegate authority to the District Attorney and the Chief Probation Officer to sign and enter into Agreement No. 2 with the City to receive \$115,000 and \$122,000, respectively, for the Baldwin Village CLEAR site, covering the period of December 1, 2007 to November 30, 2008.
3. Authorize the District Attorney or his designee, and the Chief Probation Officer or his designee, on behalf of the County, to serve as Project Directors for their respective programs and to sign and approve amendments to the Agreements that do not increase the net County cost of the Program.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The CLEAR Program specifically requires County Departments (Sheriff, District Attorney, and Probation), the Los Angeles Police Department, and the City Attorney's Office to work together to provide a flexible and coordinated response to crime perpetrated by criminal street gangs by identifying the gangs associated with each community and addressing each community's gang problem. The legislation also requires that this collaborative effort be formalized in a Professional Services Agreement (PSA), as a prerequisite to the release of CLEAR Program funding.

At a meeting in May 2007, the CLEAR Executive Board voted and added the Ramona Gardens and Baldwin Village sites to the CLEAR program. The City is offsetting cost for these sites with grant funding. From the City's 2007-08 Juvenile Accountability Block Grant funding, the District Attorney has been allocated \$97,000 for the Ramona Gardens site and \$115,000 of the City's Bureau of Justice Assistance award has been allocated for the Baldwin Village site. The Deputy District Attorneys assigned to these sites vertically prosecute all violent gang related felonies committed by the targeted gangs or occurring in the targeted area.

The City also allocated \$122,000 of their Bureau of Justice Assistance award to the Probation Department for the Baldwin Village site. The Deputy Probation Officer assigned to this site coordinates and conducts the following field-related activities: police ride-a-longs, compliance sweeps, field visits, community-based organization contacts, search and seizures, and warrant pickups. The Deputy Probation Officer also coordinates Community Impact Teams and co-facilitates monthly team meetings with law enforcement, community representatives, community-based agencies, and other City and County agencies for each target neighborhood; serves as liaison between the Probation Department, Los Angeles Police Department, Los Angeles Sheriff Department, District Attorney, City Attorney, State Parole, courts and community-based agencies in matters related to the program; monitors and enforces the terms and conditions of probation on both assigned and non-assigned cases; effects timely detection and verification of violations; requests conditions of probation specifically related to gang behavior; ensures that probation violations will lead to timely sanctioning; maintains awareness of gang and criminal activity; maintains efforts to discourage gang group activity and minimize gang cohesiveness; and redirects individual gang members into non-gang activities, etc.

On May 6, 2008, your Board considered two CLEAR PSAs for revenue included in FY 2005-06 and FY 2006-07. Agreement No. 1 was originally included in the April 1, 2008 Board Letter addressing the prior year CLEAR funding, however, the CEO suggested, and it was agreed, that the current year Agreements should be presented separately to your Board. The District Attorney's Office received Agreement No. 2 from the City on April 10, 2008.

As part of its consideration of the other CLEAR Agreements, on May 6, 2008, your Board adopted certain recommendations by the CEO to avoid future retroactive contracts with the City and to obtain reimbursement monies from the City. Your Board asked that all future agreements to apply for grant money with the City be contingent upon the City approving the PSA at the same time. Future contracts will include agreed-upon quarterly payment schedules and address the issue of payment expectations. Further, the County's continued provision of CLEAR services will be contingent upon timely payment for the County's services. As ordered by the Board, these recommendations will be implemented beginning FY 2008-09.

The Agreements which are the subject of this Board Letter are FY 2007-08 Agreements. As the majority of the services have already been provided, the CEO's recommendations could not effectively be applied to these Agreements. However, the District Attorney's Office and the Probation Department have been in communication with the City regarding the current unreimbursed monies. Both Departments are making a concerted effort to obtain timely payment and to avoid these problems in the future. Effective FY 2008-09, future CLEAR Agreements will comply with the Board's directive, as set forth above.

Implementation of Strategic Plan Goals

The CLEAR Program supports the County's Strategic Plan Goal No. 5, Children and Families' Well-Being and Goal No. 8, Public Safety, by improving neighborhood safety. Acceptance of the City of Los Angeles' funding supports the County's Strategic Plan Goal No. 4, Fiscal Responsibility, by obtaining an outside revenue source to offset program costs.

FISCAL IMPACT/FINANCING

Agreement No. 1 is for the period of July 1, 2007 to June 30, 2008 for the Ramona Gardens site, and allocates \$97,000 to the District Attorney's Office to offset the total estimated cost of \$152,000.

Agreement No. 2 covers the period of December 1, 2007 to November 30, 2008 for the Baldwin Village site. The District Attorney's Office has been allocated \$115,000 to offset the total estimated project cost of \$187,000, and the Probation Department has been allocated \$122,000 which fully offsets the project cost.

The District Attorney's Office will absorb the cost exceeding the amounts allocated by the City for these two sites.

If funding for this program is terminated, an evaluation will be conducted by the department to determine whether the program would either be continued with costs being absorbed by the department, or discontinued with the reallocation of staff to vacant budgeted positions.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The CLEAR Program is a multi-agency gang intervention program designed to facilitate the recovery of gang-infested communities. The program's goal is to decrease criminal activity of targeted gangs in designated communities through an effective collaboration among several City and County criminal justice agencies, and partnerships between this core collaborative group and affiliated agencies, programs and individuals in the targeted communities.

The City has allocated a portion of their federal award from the California Corrections Standards Authority and the Bureau of Justice Assistance to the District Attorney's Office and the Probation Department to add two new sites to the CLEAR Program. The City requires the attached Agreements to be fully executed in order to release the funds to the departments.

In order for the County Departments to claim reimbursement from the City for the CLEAR Program, the Professional Services Agreements (Attachments I and II) between the City of Los Angeles and the County of Los Angeles must be signed by the County Departments receiving funding in the Agreements. The Mayor of Los Angeles will sign and fully execute the two Agreements when received from the County.

The purpose, allocation, and terms of the Agreements, for past participation and implementation are outlined in the Agreements. County Counsel has approved the two Professional Services Agreements as to form.

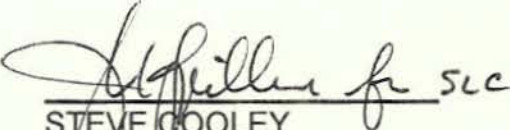

IMPACT ON CURRENT SERVICES (OR PROJECTS)

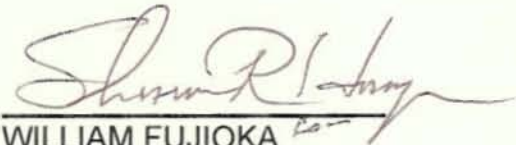

This program does not propose attorney staff augmentation. Therefore, the District Attorney's Office is not subject to the Board Motion of December 15, 1998, requiring clearance with the Alternate Public Defender, Public Defender, and Sheriff's Departments.

CONCLUSION

Following Board approval of this program, the Executive Officer-Clerk of the Board is requested to return two copies of the adopted Board Letter and three copies each of the two approved Agreements to Ms. Emily Aidells, Grants Section, County of Los Angeles District Attorney's Office, 201 N. Figueroa Street, Suite 1300, California 90012. Any questions may be directed to Ms. Aidells at (213) 202-7674.

Respectfully submitted,

STEVE COOLEY

The Community Law Enforcement and Recovery (CLEAR) Program is a multi-agency gang intervention program, designed to facilitate the recovery of gang-infested communities. The program's goal is to decrease the criminal activity of targeted gangs in designated communities through an effective collaboration among several City and County criminal justice agencies, and partnerships between this core collaborative and affiliated agencies, programs and individuals in the targeted communities. The CLEAR Team includes the Los Angeles Police Department, the Los Angeles County Sheriff's Department, Los Angeles County Probation Department, Los Angeles City Attorney, Los Angeles County District Attorney, California Department of Corrections Parole, Mayor's Office, Los Angeles City Council and Los Angeles County Supervisory Offices and community stakeholders.

The implementation of a new CLEAR site in the Ramona Gardens Gang Reduction and Youth Development (GRYD) Zone will serve as the suppression and enforcement component under a comprehensive gang reduction strategy being developed in the area of the Ramona Gardens Public Housing Development in East Los Angeles. The FY 2007 Juvenile Accountability Block Grant will provide support for two new prosecutors, one Deputy City Attorney from the Gang Unit and one Deputy District Attorney from the Hardcore Gang Division. Under aggressive enforcement, CLEAR prosecutors will vertically prosecute all misdemeanor offenses and local ordinance violations committed by targeted gang members, focus on gang related nuisance and quality of life issues, work cooperatively with the other Operation Team members, and participate in the respective Community Impact Teams. Prosecutors will undertake activities such as case preparation, litigation, and coordinate closely with police and probation officers during the investigative and post conviction stages. They will also attend and participate in community meetings and events related to CLEAR operations in Hollenbeck and East Los Angeles.

Los Angeles District Attorney

The District Attorney's Office will dedicate one (1) full-time Deputy District Attorney III for the new Ramona Gardens CLEAR site. The Deputy District Attorney will be from the District Attorney's Hardcore Gang Division, with a minimum of five years of experience as a Deputy District Attorney. The Deputy District Attorney will review all felony arrests of juvenile and adult gang members made by the CLEAR Team and file charges as the DA's Office deems appropriate. The Deputy District Attorney will vertically prosecute (from the filing stage to sentencing), all violent gang related felonies committed by the targeted gang or occurring in the targeted area. Additionally the Deputy District Attorney

will work with CLEAR investigators to ensure felony cases are fully prepared for trial. In cases which probation is granted, the Deputy District Attorney will advocate the imposition of gang terms and conditions such as prohibiting association with known gang members and possessing firearms or other deadly weapons. The CLEAR Deputy District Attorney will vigorously litigate felony probation violations that are filed on the targeted gang members. The Deputy District Attorney will also provide ongoing advice to CLEAR officers and investigators on legal issues and case preparation.

The County of Los Angeles, Office of the District Attorney shall have sole discretion in personnel matters including the selection, tenure, supervision, and transfer of the deputy district attorney assigned to the CLEAR site.

Reports

The County will submit reports and data as required by the CSA or the City.

III. PAYMENT

The foregoing rate represents the total compensation to be paid by the City to the County for services to be performed as designated by this Agreement.
- B. Each invoice shall be submitted on Contractor's letterhead. Contractor shall submit each invoice with a statement listing the deliverable completed and shall include all supporting documentation required by the grantor and the City's fiscal processing requirements as determined by the Office of the City Controller. Following receipt of the invoice and all supporting documentation, the City will approve the submission for reimbursement and submit the required documentation to the grantor, if necessary, and begin the process of obtaining the funds from the grantor. The City shall notify the Contractor in writing if the Contractor's submission is deficient and if additional information is necessary. Once the funds are received by the City from the grantor, the City shall provide payment to the Contractor within 60 days of receipt of the funds.

The City will not compensate the County for any costs incurred for invoice preparation. The City may request, in writing, reasonable changes to the content and format of the invoice and supporting documentation at any time. The City reserves the right to request additional supporting documentation to substantiate costs at any time. All invoices must be signed by an officer of the County under penalty of perjury that the information submitted is true and correct.
- F. Funding for all periods of this contract is subject to the continuing availability of federal funds for this program to the City. The Contract may be terminated immediately upon written notice to the County of a loss or reduction of federal grant funds. The City must notify in writing the County representative, or the designee, within 2 business days.

A. With regard to the work contemplated under this Agreement, the County covenants that none of its directors, officers, employees, or agents shall participate in selecting, or administering any subcontract supported (in whole or in part) by Federal funds where such person is a director, officer, employee or agent of the subcontractor; or where the selection of subcontractors is or has the appearance of being motivated by a desire for personal gain for themselves or others such as family business, etc.; or where such person knows or should have known that:

1. A member of such person's immediate family, or domestic partner or organization has a financial interest in the subcontract;
2. The subcontractor is someone with whom such person has or is negotiating any prospective employment; or
3. The participation of such person would be prohibited by the California Political Reform Act, California Government Code §87100 et seq. if such person were a public officer, because such person would have a "financial or other interest" in the subcontract.

B. Definitions:

1. The term "immediate family" includes but is not limited to domestic partner and/or those persons related by blood or marriage, such as husband, wife, father, mother, brother, sister, son, daughter, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law.

- D. The County further covenants that no officer, director, employee, or agent shall solicit or accept gratuities, favors, anything of monetary value from any actual or potential subcontractor, supplier, a party to a subagreement, (or persons who are otherwise in a position to benefit from the actions of any officer, employee, or agent).
- E. The County shall not subcontract with a former director, officer, or employee within a one-year period following the termination of the relationship between said person and the County.
- F. Prior to obtaining the City's approval of any subcontract, the County shall disclose to the City any relationship, financial or otherwise, direct or indirect, of the County or any of its officers, directors or employees or their immediate family with the proposed subcontractor and its officers, directors or employees.
- G. For further clarification of the meaning of any of the terms used herein, the parties agree that references shall be made to the guidelines, rules, and laws of the City of Los Angeles, State of California, and Federal regulations regarding conflict of interest.

The County covenants that no member, officer or employee of the County shall have interest, direct or indirect, in any contract or subcontract or the proceeds thereof for work to be performed in connection with this project during his/her tenure as such employee, member or officer or for one year thereafter.
- J. The County shall incorporate the foregoing subsections of this Section into every agreement that it enters into in connection with this project and shall substitute

the term "subcontractor" for the term "Contractor" and "sub-subcontractor" for "Subcontractor".

§415. Compliance with State and Federal Statutes and Regulations

The County understands that its failure to comply with any of the following assurances, as they relate to the work contemplated in this Agreement, may result in suspension, termination, or reduction of grant funds and repayment by the County to the City of any unlawful expenditures.

A. Statutes and Regulations Applicable To All Grant Contracts

The County shall comply with all applicable requirements of state, federal, County and City of Los Angeles laws, executive orders, regulations, program and administrative requirements, policies and any other requirements governing this Agreement. EXHIBIT A
Scope of Work

**THE LOS ANGELES CITY/COUNTY
COMMUNITY LAW ENFORCEMENT AND RECOVERY PROGRAM**

The primary purpose of CLEAR is to facilitate the recovery of gang-infested communities. This is accomplished by decreasing the criminal activity of targeted gangs in designated communities through an effective collaboration with City and County criminal justice agencies. The CLEAR Team includes the Los Angeles Police Department, the Los Angeles County Sheriff's Department, Los Angeles County Probation Department, Los Angeles City Attorney, Los Angeles County District Attorney, California Department of Corrections Parole, Mayor's Office, Los Angeles City Council and Los Angeles County Supervisory Offices and community stakeholders.

CLEAR has had a verifiable impact on gang activity and on the capacity to maintain that impact. Statistically significant decreases in gang crime have occurred in the current CLEAR target areas; community members have been meaningfully engaged in the process of community recovery; and government agencies, both within and outside the criminal justice system, have created breakthrough ways to collaborate amongst themselves and with these communities. JABG funds will support the development of a new site around the Ramona Gardens Public Housing Development in East Los Angeles.

The new CLEAR site includes an Operational Team made up of representatives from the Los Angeles Police Department (LAPD), Sheriff's Department, Department of Corrections, District Attorney's Office, City Attorney's Office and Probation Department. The Operational Team develops six-month plans and convenes strategy meetings twice a month to guide the team's program implementation and resource deployment. Monthly activity reports are created to assist each site with monitoring and revising plans and strategies.

The key to CLEAR's success has been the immediate availability of police officers, sheriff deputies, district attorneys, city attorneys, probation officers and parole officers in the defined primary and secondary target areas. The role of each team member is outlined below:

- The LAPD and Los Angeles Sheriff's Department deploy officers who are specifically designated to respond to gang-related criminal activity within their respective jurisdictions in the CLEAR target area;
- The California Department of Corrections provides intensive monitoring and closely supervises all parolees during their re-entry into society to avert them from engaging in criminal activity upon their release.

- The Los Angeles County Probation Department works with the City Attorney to ensure that gang members receive appropriate conditions of probation that prohibit association with other gang members through curfews and restrictions on returning to designated areas.
- The District Attorney's Office and City Attorney's Office engage in community-based and vertical prosecution to ensure effective prosecution of gang-related crimes.
- Other federal, state and local agencies and programs are requested to participate in a target area as the CLEAR Operational Team identifies additional areas of need.

The Ramona Gardens area has been determined as an area with high rates of concentrated gang related crimes. As with other sites, there is a primary target area and a secondary target area identified by LAPD Reporting Districts, which will track all LAPD crime data. Primary target areas are comprised of up to four reporting districts, which have the highest levels of gang crime in the CLEAR site area. Secondary target areas are comprised of up to nine reporting districts, which have significant level of gang crime, but are lower than the levels in the primary target areas. Program resources are deployed first to the primary target areas and then to secondary target areas. This approach ensures that resources are efficiently deployed to areas with the most gang related crime.

CLEAR team members collaborate with residents from the neighborhoods through the creation of a Community Impact Team (CIT). The CIT's focus is specifically on quality of life issues such as graffiti, litter and juvenile loitering. The CIT also facilitates a linkage between CLEAR's suppression efforts and other gang prevention and intervention programs. Residents on the CIT's identify effective community organizations in their area and facilitate a relationship between those organizations and law enforcement agencies which partner to secure support from individuals and businesses within the community.

The CLEAR Executive Committee will serve as the Local Advisory Board, made up of a representative from each core agency involved in CLEAR. The Executive Committee provides program policy, management and oversight for all of the CLEAR sites. The Executive Committee also reviews, evaluates and modifies strategies and ensures efficient deployment of resources within each of the CLEAR target areas. In addition, the Committee is responsible for program implementation within new sites and will monitor the ongoing reduction of gang-related crime in recovered CLEAR target areas.

TERM AND SERVICES TO BE PROVIDED

§201. Time of Performance

The term of this Agreement shall commence on **December 1, 2007** and end on **November 30, 2008** and any additional period of time as is required to complete any necessary close-out activities. Said term is subject to the provisions herein.

§202. Services to be Provided by the County

General Description of CLEAR: The primary purpose of the Community Law Enforcement and Recovery (CLEAR) Program is to facilitate the recovery of gang-infested communities through the application of concentrated law enforcement measures. The creation of CLEAR, in November 1996, was fueled by the widely publicized killing of 3-year-old Stephanie Kuhen by members of the Avenues Gang near downtown Los Angeles.

There are six CLEAR sites within the City of Los Angeles. The sites are as follows:

- LAPD Foothill Area
- LAPD Newton Area
- LAPD Southeast Area
- LAPD Hollenbeck Area
- LAPD Northeast Area
- LAPD Southwest/Baldwin Village Area

This Agreement applies only to the site at LAPD Southwest/Baldwin Village Area.

Areas with high rates of gang related crime are generally selected as CLEAR sites. Within each site, there is a primary target area and a secondary target area identified by LAPD Reporting Districts, which track all LAPD crime data. Primary target areas are comprised of up to four reporting districts, which have the highest levels of gang crime in the CLEAR site area. Secondary target areas are comprised of up to nine reporting districts, which have significant level of gang crime, but are lower than the levels in the primary target areas. Program resources are deployed first to the primary target areas and then to secondary target areas. This approach ensures that resources are efficiently deployed to areas with the most gang related crime.

Each CLEAR site includes an Operational Team made up of representatives from the LAPD, Department of Corrections, District Attorney's Office, City Attorney's Office and Probation Department. The Operational Team develops six-month plans and

convenes strategy meetings twice a month to guide the team's program implementation and resource deployment. Monthly activity reports are created to assist each site with monitoring and revising plans and strategies.

The key to CLEAR's success has been the immediate availability of police officers, sheriff deputies, district attorneys, city attorneys, probation officers and parole officers in the defined primary and secondary target areas. The role of each team member is outlined below:

- The LAPD deploys officers who are specifically designated to respond to gang-related criminal activity within their respective jurisdictions in the CLEAR target area;
- The California Department of Corrections monitors parolees during their re-entry into society to avert them from engaging in criminal activity upon their release.
- Los Angeles County Probation Department works with the City Attorney to ensure that gang members receive appropriate conditions of probation that prohibit association with other gang members through curfews and restrictions on returning to designated areas.
- The District Attorney's Office and City Attorney's Office engage in community-based and vertical prosecution to ensure effective prosecution of gang-related crimes;
- Other federal, state and local agencies and programs are requested to participate in a target area as the CLEAR Operational Team identifies additional areas of need.

The County shall provide contractual services supported by the work identified in this section, Exhibit A, and Exhibit A-1. All work is subject to prior City approval before payment shall be made pursuant to §301.

Los Angeles District Attorney

The District Attorney's Office dedicates Deputy District Attorneys for the CLEAR sites. The Deputy District Attorneys are from the District Attorney's Hardcore Gang Division. The Attorneys must be a Deputy District Attorney III or higher with a minimum of five years of experience as a Deputy District Attorney. The Deputy District Attorney will review all felony arrests of adult gang members made by the CLEAR Team and file charges where appropriate. The Deputy District Attorney vertically prosecutes from the filing stage to sentencing all violent gang related felonies committed by the targeted gang or occurring in the targeted area. Additionally, the Deputy District Attorney works with CLEAR investigators to insure felony cases are fully prepared for trial. In cases

which probation is granted, the Deputy District Attorney advocates the imposition of gang terms and conditions such as prohibiting association with known gang members and possessing firearms or other deadly weapons. The CLEAR Deputy District Attorneys will vigorously litigate felony probation violations that are filed on the targeted gang members. The Deputy District Attorneys also provide ongoing advice to CLEAR officers and investigators on legal issues and case preparation.

The County of Los Angeles Office of the District Attorney shall have sole discretion in personnel matters including the selection, tenure, supervision, and transfer of the deputy district attorney assigned to the CLEAR sites.

Probation Department

Deputy Probation Officers are dedicated to carrying out the Probation Department's participation in the coordination, development and implementation of the CLEAR sites. This Deputy Probation Officer coordinates and conducts the following field-related activities: Police ride-a-longs, compliance sweeps, field visits, Community-Based Organization contacts, search and seizures, warrant pickups; coordinates Community Impact Teams and co facilitates the monthly team meetings with law enforcement, community representatives, community-based agencies, and other city and county agencies for each target neighborhood; serves as liaison between the Probation Department, Los Angeles Police Department, Los Angeles Sheriff Department, District Attorney, City Attorney, State Parole, courts and community-based agencies in matters related to the program; monitor and enforce the terms and conditions of probation on both assigned and non-assigned cases; effect timely detection and verification of violations; impose conditions of probation specifically related to gang behavior; ensure that probation violations will lead to timely sanctioning; maintain awareness of gang and criminal activity; maintain efforts to discourage gang group activity and minimize gang cohesiveness; and redirect individual gang members into non-gang activities, etc.

THE LOS ANGELES CITY/COUNTY COMMUNITY LAW ENFORCEMENT AND RECOVERY PROGRAM

The Community Law Enforcement and Recovery (CLEAR) Program was funded initially by the U.S. Department of Justice at the request of the Mayor's Office. CLEAR is a multi-jurisdictional program that brings together law enforcement, government and community agencies in an unprecedented, focused effort to rid neighborhoods of street violence. Core participants include the Los Angeles Police Department, Probation, City Attorney, District Attorney, Mayor's Office, City Council Offices, Supervisorial Offices, and community stakeholders. CLEAR first targeted the violent Avenues gang in northeastern Los Angeles and in subsequent years CLEAR has expanded to include the Southwest area, Foothill area, Southeast area, Hollenbeck area, and the Newton area. During the time CLEAR was on the streets in Northeast Los Angeles, gang-related violent crime decreased by 39% in the targeted area, and by 35% in the surrounding neighborhoods, compared to 9% in the balance of the Northeast area.

Crime reduction and enhanced quality of life in gang strongholds in all CLEAR sites are a direct result of the infusion of funds and resources, and the corresponding ability to implement proactive, rather than reactive strategies. CLEAR features a number of joint activities by its core members who are co-located in the target areas. These include: Probation ride-alongs with the Los Angeles Police Department; gang information and data sharing across departments and between the City and County; gang Conditions of Probation, witness protection; and a Community Impact Team in which community members and law enforcement work together to prioritize and address local problems. The representative from the District Attorney's Office chairs the monthly Executive Steering Committee, which is responsible for program planning and oversight. A representative from the Los Angeles Police Department co-chairs (with the District Attorney) the monthly Operations Team Committee, which is responsible for site coordination and day-to-day program operations.

City Attorney's Office

The City Attorney's Office has been an integral part of the CLEAR program since its inception, vertically prosecuting misdemeanor gang crimes and focusing on quality of life crimes and nuisance abatement.

The CLEAR sites will be staffed by experienced Deputy City Attorney from the City Attorney Gang Unit in Baldwin Village. The Deputy City Prosecutors assigned to the CLEAR Team will vertically prosecute all misdemeanor offenses and local ordinance violations committed by targeted gang members, focus on gang related nuisance and

quality of life issues, work cooperatively with the other Team members, and participate in the respective Community Impact Teams. The Deputy City Prosecutors will also attend and participate in community meetings and events related to CLEAR operations in Hollenbeck, Foothill, Newton, Northeast and Southeast. The assigned prosecutors will be co-located with the other members of the CLEAR Operations Team.

Los Angeles Police Department

The CLEAR sites will be staffed by a Detective, a Sergeant, and police officers in Baldwin Village. Staff are assigned to the CLEAR Team to investigate all gang related crimes that occur within the designated areas, work cooperatively with the other Team members, and participate in the respective Community Impact Teams. They will also attend and participate in community meetings and events related to CLEAR operations in Hollenbeck, Foothill, Newton, Southwest, Northeast and Southeast. Overtime funds allow the officers to increase the amount of time dedicated to investigations and to participate in task force events related to CLEAR sites.

Los Angeles District Attorney

The District Attorney's Office dedicates Deputy District Attorneys for the Baldwin Village CLEAR site. The Deputy District Attorneys are from the District Attorney's Hardcore Gang Division. The Attorneys must be a Deputy District Attorney III or higher with a minimum of five years of experience as a Deputy District Attorney. The Deputy District Attorney will review all felony arrests of adult gang members made by the CLEAR Team and files charges where appropriate. The Deputy District Attorney vertically prosecutes from the filing stage to sentencing, all violent gang related felonies committed by the targeted gang or occurring in the targeted area. Additionally the Deputy District Attorney works with CLEAR investigators to insure felony cases are fully prepared for trial. In cases which probation is granted, the Deputy District Attorney advocates the imposition of gang terms and conditions such as prohibiting association with known gang members and possessing firearms or other deadly weapons. The CLEAR Deputy District Attorneys will vigorously litigate felony probation violations that are filed on the targeted gang members. The Deputy District Attorneys also provides ongoing advice to CLEAR officers and investigators on legal issues and case preparation.

Probation Department

The CLEAR site will be staffed by a Deputy Probation Officer in Baldwin Village. The Deputy Probation Officer is dedicated to carrying out the Probation Department's participation in the coordination, development and implementation of the CLEAR sites. This officer will coordinate and conduct the following field-related activities in Baldwin Village: Police ride alongs, sweeps, field visits, Community Based Organization contacts, search and seizures, warrant pickups, etc.; Coordinate Community Impact Teams and facilitate the monthly team meetings with law enforcement, community representatives, community-based agencies, and other city and county agencies for each target neighborhood; Serves as liaison between the Probation Department, Los Angeles Police Department, District Attorney, City Attorney, State Parole, courts and

community-based agencies in matters related to the program. Monitor and enforce the terms and conditions of probation on both assigned and non-assigned cases; Effect timely detection and verification of violations; Impose conditions of probation specifically related to gang behavior; Ensure that probation violations will lead to timely sanctioning; Maintain awareness of gang and criminal activity; Maintain efforts to discourage gang group activity and minimize gang cohesiveness; and Redirect individual gang members into non-gang activities, etc.
